Vision

Impact complex global business environment with pragmatic legal acumen enabling clients to make a difference, maintain their leadership position, to enable clients to be a game changer for their business.

Mission

Provide outstanding client experience to clients.

Know us

Khare Mishra & Partners LLP, Advocates is an Indian commercial law firm. We have come to be known for our expertise predominantly in energy, infrastructure, maritime, mining, regulatory affairs, disputes and competition law.

As a Firm, we focus on providing practical, simplified, implementable solutions to our clients, recognizing the importance of client service and satisfaction.

We advise and represent on commercial disputes, transactional and corporate matters including contracts, commercial issues, regulatory affairs, finance and property.

In India we have our offices in Mumbai and Pune. We have associate offices at New Delhi, Ahmedabad, Hyderabad, Bengaluru, Bhopal, Raipur, Patna and Vizag. Internationally, we have alliance with law firms in all major jurisdictions which cover all possible areas of law which our clients may require.

Most important to us is the individual requirement of our clients. We provide personalized tailor made legal solutions for each of our client for respective issue independent of advice provided for similar issue earlier.

Central to our ethos, our approach to our practice is our philosophy of the '5 Cs', that is:

Clients
Communication
Creativity
Costs
Consistency

We help organisations work smarter in a competitive environment. We intend to be the catalyst in building effective organisation, reduce costs, manage risk and leverage talent.

Approach

Simple, practical, implementable solutions to complex business environment.

That's what we do, and that's what we continually aspire for.

We provide simplified, practical and implementable solutions to complex legal issues which arise from complex business issues. Solutions which are aligned to our clients business interests and integrated to clients core values. We have come this far due to our passion and commitment towards enabling our clients gain a leadership position in their respective industry segments.

By this, we intend to be one of the factors to help our clients achieve, consolidate and retain their leadership position in their respective businesses. We believe that we are an “investment” for our clients rather than a “cost”that is how we define SUCCESS.

It is our belief that organisations must invest in experts who can guide them in conducting the business in a pragmatic manner which helps the business in improving their bottom line. Involving legal experts in decision making is a “must have” characteristic of any company for effective risk mitigation and to consolidate growth.

Creative solutions

What differentiates us

Engage. Focus. Integrate core values.
Empower. Drive growth.

We engage with clients, to understand clients requirements, focus on them to provide best suitable solutions. We have highest regard for integrity, ethics and core values; clients and ours.

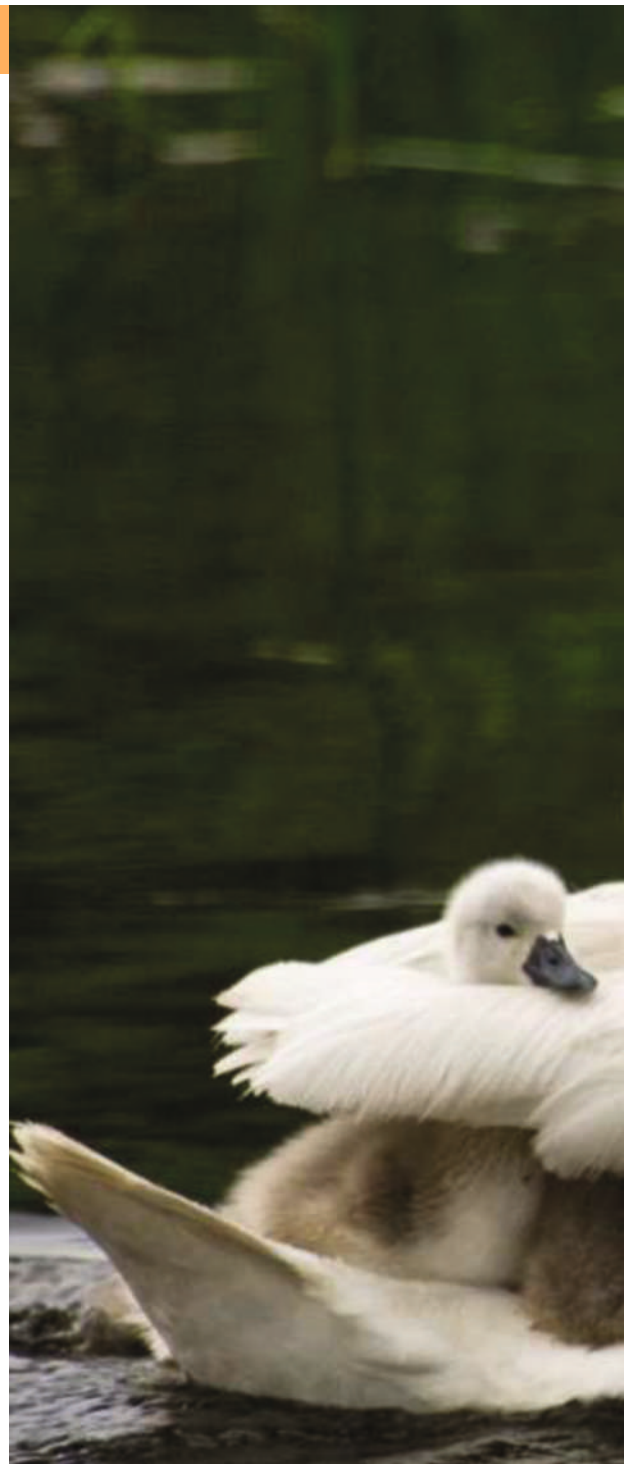

We provide solutions which are aligned to clients business interests and integrated to core values, which enable clients to take better informed decisions. This empowers clients and drives growth.

How do we do this

By building & nurturing every relationship. We listen with interest and understanding. Our team spends time to delve into business intricacies to attain an in depth understanding and nuances which impact clients decision making.

We help clients take business decisions, rather than just lay down various dimensions and options. This enables us to create value for our clients, which drives business decisions – benefits of which is realized and reaped for many years to come. We believe every legal solution must make business sense for it to be successful. We do not believe in theoretical legal solution but a legal business remedy coupled with effective STRATEGY.

Nurturing relationship

Your belief in us

we are here because of you

Our clients have shown belief in our expertise, making us one of the growing corporate commercial law practices in India.

Clients confidence in us has helped us to service Fortune 10, 100 and 500 companies, along with many leading Indian large and medium sized corporate, high net worth individuals and private clients.

Sustainability in Legal Practice

We are committed to integrating sustainability into every aspect of our operations and client services. By aligning our practices with sustainable business goals, we guide clients in adopting environmentally responsible strategies while minimizing our own environmental footprint through energy-efficient operations and paperless workflows. Leveraging AI and proprietary software, we enhance efficiency, reduce resource consumption, and deliver innovative, sustainable solutions tailored to meet the demands of a dynamic global environment.

Socially Responsible Legal Practice

Our firm embraces social responsibility by fostering inclusive practices, supporting pro bono initiatives, and collaborating with organizations that prioritize equity and justice. We are dedicated to addressing societal challenges through our work, from promoting diversity within the legal field to supporting underserved communities. By integrating cutting-edge technology like AI and proprietary tools, we enhance client experiences while driving impactful, socially conscious legal strategies that align with our values of integrity, accountability and growth.

Standing aside from the sea of sameness

We are committed to transforming the way clients experience legal services by delivering innovative, transparent and measurable value. Our systems, shaped by extensive expertise, ensure tailored solutions and excellent client care.

Equally, we focus on building a positive, impactful workplace culture. From how we treat our people to our commitment to sustainability and social responsibility, our approach reflects our values. With unwavering dedication to excellence, we stand apart, offering clients a truly distinctive and superior legal experience.
